We know that all hosting companies promise reliable web hosting services and support. However you really have no way of knowing the quality of the service until you pay for it.

At Southern Aurora, we are now offering "Try Before You Buy" (Your first month FREE). Open your account, test our power, speed and reliability, excellent technical support, choice and flexibility, secure in the knowledge that if we do not provide the service we promise, you do not have to pay us a single cent. And remember, at Southern Aurora there are never any setup charges with our hosting packages.
